

Call for Papers of the 14th International Conference on Logistics and Systems Engineering

The 14th International Conference on Logistics and Systems Engineering will be held in 23-24 November 2024 in Hengyang, China.

Host: Hunan Institute of Systems Engineering and Management (HISEM)
Business, Nature and Value Research Centre, UK

Undertake: School of Economic Management and Law, University of South China

Co-organizer: Management School , Wuhan University of Science and Technology
Hunan Key Laboratory of Intelligent Logistics Technology, China

President of the conference:

Chair Professor Jeff Jia, York Management School, University of York (UK)

Professor Hanjiang Zhang, Hunan Institute of Systems Engineering and Management

Professor Yuqiong Li, School of Economic Management and Law, University of South China

Chairman of the Academic Committee:

Professor Xin Lv, College of Systems Engineering, National University of Defense Technology

Professor Yuejun Zhang, College of Business Administration, Hunan University

Professor Jianxia Lu, Industrial Engineering Research Institute of Zhejiang University of Technology,

Deputy Director of Industrial Engineering Education and Instruction Committee

Professor Yan Pang, School of Logistics, Central South University of Forestry and Technology,

Member of Logistics Education and Instruction Committee

Chairman of the Program Committee:

Professor Wei Li, School of Economics and Trade, Hunan University

Professor Liangqing Feng, School of Economics and Management, Nanchang Hangkong University

Professor Zeping Tong, Management School , Wuhan University of Science and Technology

The relevant matters are hereby notified as follows:

1. The theme of the conference is " New Technology, New Productivity in the Digital Economy ".
2. The scope of the essay includes, but is not limited to:

- Systems Engineering • Management Science and Engineering • Big Data Theory and Methodology • Logistics Engineering and Logistics Management • Transportation Engineering, Transportation Technology, Transportation Information Management • Research on the Internet of Things in the 5G Era • Supply Chain Operations and Management Research • Research on the Application of Artificial Intelligence Methods and Techniques in Logistics System • Research on Low Carbon Energy Conservation and Environmental Governance • Research on Supply Chain Management Under Dual Circulation Economy • Research on Product Quality Inspection and Supervision Based on Big Data • Smart logistics and smart supply chain • System engineering in intelligent manufacturing • Smart storage system planning and scheduling • Compact storage decision analysis • Logistics ecosystem planning • The application of big data in logistics engineering and management • Machine learning and logistics decision-making • Logistics research based on the Internet of Things

3. Deadline: December 5, 2024

4. Registration fee:

In order for the paper to be included in the essay, each accepted paper must be registered by at least one author.

- **Ordinary registration fee:** 2,880 RMB (Payment method, see paper acceptance notice and meeting notice).
- **Member discount registration fee:** 2580 RMB, which is offered to Hunan Institute of Systems Engineering and Management members.
- **Special discount registration fee:** if the paper is based on the award-winning works of the National Modern Logistics Design Competition, the registration fee will be reduced by 200 RMB, and the award-winning works of the provincial modern logistics design competition will be discounted.

Proceedings of this conference will be published in February 2025 and will be included in *EI* and *CPCI-S*. Proceedings of the 4th-12th session have been included in *EI* within 2-7 months after publication already. Due to the uncertainty of the results and cycle of *EI* and *CPCI-S*, please consider the authors of *EI*, and do not use this contribution as the only way for your important use.

The conference will continue to select best paper and best paper nomination .

第 14 届物流与系统工程国际学术会议征文通知

第 14 届物流与系统工程国际学术会议将于 2024 年 11 月 23-24 日在中国湖南省衡阳市召开。

主办：湖南省系统工程与管理学会（HISEM）

Business, Nature and Value Research Centre, UK

承办：南华大学经济管理与法学学院

协办：武汉科技大学管理学院

智慧物流技术湖南省重点实验室

大会主席：Jeff Jia, Chair Professor of University of York;

张汉江教授，湖南省系统工程与管理学会

李玉琼教授，南华大学经济管理与法学学院

学术委员会主席：吕欣教授，国防科技大学系统工程学院

张跃军教授，湖南大学工商管理学院

鲁建厦教授，浙江工业大学工业工程研究所，教育部工业工程教指委副主任委员

庞燕教授，中南林业科技大学物流学院，教育部物流教指委委员

程序委员会主席：李巍教授，湖南大学经济与贸易学院

冯良清教授，南昌航空大学经济与管理学院

童泽平教授，武汉科技大学管理学院

现就有关事项通知如下：

1.会议主题为“数字经济中的新科技与新质生产力”

2.征文范围包括但不限于：

- 系统工程与体系工程
- 管理科学与工程
- 复杂系统研究
- 新质生产力研究
- 大数据理论与方法研究
- 数字赋能产业链研究
- 物流工程与物流管理的新技术和新模式研究
- 交通运输工程、运输技术、交通信息管理
- 5G 时代的物联网研究
- 数字赋能供应链运营与管理研究
- 人工智能方法与技术 在系统工程中的应用研究
- 数字赋能低碳节能与 环境治理研究
- 双循环经济下的供应链管理研究
- 基于大数据的产品质量检测与监管研究
- 智慧物流与智慧供应链
- 智能制造中的系统工程
- 智能仓储系统规划与调度
- 紧凑型仓储决策分析
- 物流生态系统规划
- 大数据在物流工程与管理中的应用
- 机器学习与物流决策
- 基于物联网的物流研究

3.征文截至日期：2024 年 12 月 5 日

4.注册费用

为了论文被收入到论文集中，每篇被接受的论文必须至少有一名作者注册。

- 普通注册费：2880 元人民币（缴纳方式见论文录用通知和会议通知）
- 会员折扣注册费：2580 元人民币，湖南省系统工程与管理学会会员

2680 元人民币，会议协办单位人员

- 特价折扣注册费：2680 元人民币，如果论文基于国家现代物流设计竞赛的获奖作品

2780 元人民币，如果论文基于省现代物流设计竞赛的获奖作品

- 早鸟注册费折扣：所有在 2024 年 10 月 31 日前完成注册的论文作者/参会人员将额外享受减少 100 元人民币的注册费优惠。

5. 论文征集信息查询渠道：

- 中国科学网网页：https://meeting.sciencenet.cn/index.php?m=Category&a=reading_display&rid=21247
- 南华大学经济管理与法学学院网页：<https://wlxy.csuft.edu.cn/>
- 中南林业科技大学物流学院：<https://wlxy.csuft.edu.cn/>
- 武汉科技大学管理学院：<https://som.wust.edu.cn/>

本届会议论文集将于 2024 年 12 月出版并送 EI 和 CPCI-S 等收录。第 4-13 届会议论文集都已在出版后 2-7 个月内被 EI 收录。由于 EI 和 CPCI-S 收录结果和周期的不确定性，请考虑 EI 收录的作者，不要将此投稿作为您重要用途的唯一方式。

会议将继续评选优秀论文和优秀论文提名。
